### General Information

Spring is a perfect time to visit the bunny-filled enclave in Roscoe, Illinois, conveniently located between Rockford, IL, and Beloit, WI! Enjoy practice time and mentoring in the field on Friday followed by two days of hunt tests with your PBGVs. The Northern Illinois Beagle Club has lots of rabbits and a 40 acre field with dog-proofed fencing on which to hunt. All AKC registered PBGVs are welcome, including those with ILP/PAL listings.

A complete copy of the PBGVCA Rules and Regulations with desirable qualities and faulty actions in hunting PBGVs can be viewed at [www.pbgv.org](http://www.pbgv.org).

Dogs entered individually will be placed in packs by the Hunt Secretary.

**A LARGE NUMBER OF ENTRIES ARE EXPECTED FOR THIS EVENT. READ THE FOLLOWING INFORMATION CAREFULLY.**

Entries for this hunt are limited and will open on Wednesday, March 6, 2019 at 8:00 am and will close at 5:00 pm, Wednesday, March 20, 2019. Entries postmarked before Wednesday, March 6, 2019, and postmarked after Wednesday, March 20, 2019, shall be considered invalid entries and shall be returned as soon as possible. Stakes offered will be as follows: 4 pack stakes,

2 brace stakes, 2 solo stakes, and 1 HIT packs. Entries will be awarded first come, first served based on postal cancellation date. If 1 or more stakes are not completely filled, the Event Committee reserves the right to increase the entry limits on 1 or more of the other stakes based on entries submitted. The Event Committee reserves the right to increase the number of stakes offered. Entries are further limited to 1 run per dog per day. If more entries are received (based on postmark date) than can be accommodated, entries will be determined as follows: First, by postmark date; Second, one or more draws may take place by postmark date to eliminate runs, starting with handler/households with the highest number of runs, then the handler/households with the next highest number of runs, etc. If one of your runs is eliminated, you will be given the option of adjusting your other entries, so the affected dog(s) can still run. Packs and braces made up of dogs from more than one handler will be categorized based on the handler(s) with the fewest runs. Handler/households with multiple entries may attach a letter to the Secretaries indicating preferred priority for runs in the event that an elimination draw is required. A handler/household is defined as an individual owner of a dog or members of a household with shared ownership of dogs and an individual or members of a household entering a dog or dogs as handler. A wait list will be created based on postmark date and the run elimination scheme.

Due to the large number of anticipated entries, you are encouraged to enter dogs as solo or brace entries only if necessary.

The Hunt Committee reserves the right to accommodate entries with some runs on Friday if judges and handlers available and agreeable to shift.

Weather in late March can be volatile. The event will be held in rain, snow, and cold, so long as it is not deemed unsafe or unjudgable by the event committee. Individual runs may be postponed in the event of unsafe conditions or conditions that make judging impossible. In the event that a major winter storm is forecast, or in the event of weather or field conditions that are unsafe or impossible for judging, the event committee in its sole discretion may cancel the event. Every effort will be made to provide as much advance notice as possible for those traveling to the event. If the entire event is postponed, entrants will be given refunds.

- Refunds for entry fees and prepaid meals will be allowed prior to closing date with written or email notification to HUNT SECRETARY.
- No refunds after closing date, except Bitch-In-Season.
- A refund of entry fees and prepaid meals will be allowed for BIS after closing date with a veterinarian statement.
- Entries that can't be accommodated due to stakes being full will be returned as soon as possible after closing date.
- The field will be open after tests are completed on Saturday and Sunday depending on available time.

## SUMMARY OF RULES AND REGULATIONS for PBGVCA Hunting Tests

A complete copy of the PBGVCA Rules and Regulations with desirable qualities and faulty actions in hunting PBGVs can be viewed at <http://www.pbgvca.org/images/BreedInfo/PBGVCA-Hunt-Rules-6-14-2010.pdf>

Hunting Tests shall be open to all AKC registered or ILP/PAL registered Petit Basset Griffon Vendéens of six months of age or over on the first day of the event. Spayed or neutered hounds are eligible for entry.

No person acting in the capacity of Hunting Tests Secretary may judge at the event for which that person is acting as Hunting Tests Secretary.

**Any dog may be entered in a hunt test stake for which it is eligible, however, it must be noted on the supplementary entry form, if an advertised judge, alternate judge or any member of their family has owned, sold, held under license, boarded, trained or handled the dog within one year of the starting date of the Hunt Test, as this person may not judge the hound.**

For purposes of this Section, the words "any member of his family" shall include a spouse, a sibling, a parent or a child, whether natural or adopted, of the Judge in question, but shall not extend to other blood or legal relationships.

At the conclusion of the judging for each test, the club shall provide, for the Judges' signatures, the Hunting Test Score Sheets for each pack judged, showing full particulars of all dogs judged.

Titles are awarded based on application to PBGVCA as defined in the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.

**Purpose:** The purpose of Hunting Tests for Petit Basset Griffon Vendéen is to afford an opportunity to demonstrate an individual hound's ability to perform in a manner consistent with the demands of actual hunting conditions. Testing in this manner is to gauge the hound's hunting ability, desirable qualities that indicate ability to be effective and efficient in the pursuit of quarry.

**Time and Running Order:** Running order will be assigned by public "Draw" before the beginning of each test day.

Packs may be mixed sexes. Bitches-in-season may not be on the test field. Fees will be refunded for bitches that come in season after the closing date or a substitution may be made.

No hounds shall be put down after 30 minutes following official sunset. The Hunting Test Committee and the Judges shall be responsible for enforcement of this Procedure.

**Marshals:** It shall be the duty of one Marshal to assist the Judges and to carry out their instructions, including regulating and controlling the gallery & seeing to it that the gallery is kept separate from and behind the Judges, and that no one in the gallery talks to the Judges while the dogs are down. Marshals shall assist the Judges in all other matters necessary for the smooth and expeditious running of each Test.

**Gallery:** No person shall make any remarks nor give any information which might affect the actions of the persons handling the hounds or the running of the hounds unless information is specifically requested by the Judges. Any person so offending may be expelled from the running grounds on orders from the Judges, and points of merit shall not be allowed any hound whose handler acts upon such information. The Judges must be informed of any such misconduct before the close of the running of the hound(s) in which it occurs, and their decision shall be final.

**Handlers:** When hounds are cast, a handler may speak, whistle, sound a horn to his hound or work in any way he may deem proper, if not contrary to these Procedures, unless otherwise instructed by the Judges. Hounds must show reasonable obedience to their handler's commands.

Each hound under judgment must wear a different colored hunt collar or stretch band for easy identification by the Judges. The Judges' evaluation forms will have this collar color and the handler's last name. (Personal collars worn in addition to the colored hunt collar or stretch band must have a fixed circumference with no hanging tags.)

No owner or handler shall have any right to question or refuse to follow the Judges' orders.

Owners and handlers must keep themselves informed as to the running order and progress of the judging and must be ready within hailing distance when their hounds are called by the Marshal on instruction from the Judges.

**Severe Training or Correction:** The Hunting Test Committee and the Judges shall not permit severe disciplining of hounds on any part of the grounds. The Committee shall investigate any reports of such conduct or of any other conduct prejudicial to the best interests of purebred dogs, PBGVCA Hunt Tests, or the American Kennel Club, according to Chapter 6, Section 5 of the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.
