Quarry: Wild Rabbits

GENERAL HUNT INFORMATION

Join your PBGV friends for three days in the field at the Carlisle Beagle Club. There are 2 large fields where we can run our dogs and watch them demonstrate their natural ability for trailing rabbits. All AKC registered Petits are welcome, including those with ILP/PAL listings. A complete copy of the PBGVCA Rules and Regulations with desirable qualities and faulty actions in hunting PBGVs can be viewed at www.pbgv.org. A summary of the Rules and Standard Procedures is included on page 11 of this document. Requirements for PBGVCA Hunt Titles are listed on page 12.

Email entries only. Entries made as follows:

- Note- Pre entry will not be accepted if the email was sent prior to 8am on opening day October 4, 2023, or after 5pm on closing date, October 25, 2023. After October 25, there will be a \$5 surcharge for day of hunt entry. *Call Robert Sweeney after that date to check availability of runs.
- Entry forms must be submitted as attachments to the email to the secretary, Robert Sweeney,, and payment must be made concurrently through PayPal using the @MNJPBGVA address. Note: you do not have to have PayPal, but you do have to go to the PayPal site to pay for your entry. Once on PayPal click at the bottom "Request" and in the search bar put @MNJPBGVA. Then follow the directions to send your entry fees.

Directions to email entries:

- Print your entry, supplementary and summary sheet, fill them out, take a picture of them and send as attachments, PDF or JPEG, or place within the email.
- A time stamp will be made for the email making the entry time based on receipt of email entry.
- PayPal your entries within 15 minutes of the email as this makes your entry official.
- If more than one handler is entering as part of a pre-arranged pack, payment from all handlers must be received for the entries to be complete.

Incoming entries will be time stamped upon receipt in order to ensure equal treatment of who gets into the hunt. In the event of overflow of entries, solos and braces may be asked to run as a pack. Please note I always do everything possible to avoid this so solos and braces are accommodated.

The field will be open for practice on Friday, November 3, starting at 10 am. (Sign up sheet at the clubhouse.) Please limit your practice time to no more than an hour, with a limit of 5 dogs on each field at any given time. If possible please consider having a "human" buddy with you on the field.

*****Please note we try to accommodate as many entries as possible, and that may require that we use both fields for runs. Additionally, we may use Friday for the overflow runs (solos and braces).**

MNJPGVA Hunt Tests Offered

Hunting Instinct Test--This test is open to all PBGVs 6 months and older registered with AKC. Hunting Instinct Certified (HC) will be granted by the PBGVCA to any PBGV passing the HIT. A PBGV may not be entered in the Hunt Test until it has passed the HIT.

Hunt Test--This test is open to any PBGV who has passed a PBGVCA Hunting Instinct Test, or received an equivalent qualification by an established hound association. The hunt test includes Pack, Brace, and Solo stakes. All qualifying scores must be applied towards an appropriate hunt title for which a prerequisite has been earned. High qualifying scores may not be saved for advanced titles. For a description of the PBGVCA Hunt Test Title Requirements, see final page, page 12, of this premium list.

Non Regular Classes offered (Friday, November 3, only)

Puppy Learning Experience (PLE)—for PBGV puppies 3-6 months old. This experience includes presentation of information about exposing puppies to hunt field conditions, how to get puppies to go in cover, how scent works in the field, relevant information about rabbit behavior, and how to work with puppies at home to improve hunt skills.

Novice Learning Experience (NLE)—for PBGVs 6 months and older who have not passed a Hunting Instinct Test. The same material will be covered as in the PLE but more time will be spent in the field with an experienced dog providing guided hunting experience for the novice dogs.

Entry Fees

Hunting Instinct Test	\$20.00
Pack Stake.....	\$25.00
Brace Stake (per dog).....	\$38.00
Solo Stake.....	\$75.00
PLE/NLE.....	\$15.00
Move up from HIT.....	\$5.00

Move up from the HIT is available for dogs who pass the HIT on the first day of the test or at a previous test held after the pre-entry closing date for this test. Move up is allowed if space is available to add an additional pack stake entry on the following day.

IMPORTANT NOTICE TO ALL HANDLERS

All entered handlers and hounds must be present on the field for the roll call and draw at the start of the day. Hounds not checked in will be marked absent. Hunt Test Stakes and Hunting Instinct Tests will be included in the same draw. All stakes will be drawn together.

Hounds entered individually (not in pre-arranged packs) will be assigned to packs by the secretary prior to the draw. Judges for each run will be assigned by hunt officials once the draw is complete.

Field Marshal sign up will occur once the draw is complete. Please volunteer to marshal—it's a great way to help the club and also gives you a chance to watch the dogs hunt up close.

Weather issues: Judges will be notified via phone from the Hunt chair if there's lightning spotted, or, if judges see the lightning, they may call a halt to the run. In the event of loss of cell service a car horn will be blasted three times to signal that participants get off the field immediately.

- Alcohol is discouraged at the clubhouse and is not allowed on the hunt field.
- These grounds have rough terrain--please use caution; a walking stick is recommended.
- Safety of the dogs is our primary concern. Areas used for this event will be totally fenced. Please be sure the gate is properly closed as you enter or leave the running grounds.
- In consideration of others, please clean up after your dog on the field and at your hotel. Your cooperation in this matter is appreciated!
- New handlers are strongly advised to attend at least one Novice Learning Experience
- No move-ups from HIT to Hunt Test will be accepted for the day on which the PBGV has been marked as passing the HIT.

- The Hunt Test is an off-lead test. NO long lines (except as stipulated in the PBGVCA Rules and Standard Procedures), leashes, or food may be used once a PBGV is released until the judges request that the dogs be picked up (leashed) and removed from the field.
- If Saturday's tests cannot be completed due to darkness, they will resume on Sunday followed immediately by the draw for Sunday's tests.

REFUNDS –

- Refunds for entry fees and prepaid meals will be allowed prior to closing date with written or email notification to the hunt secretary.
- No refunds of entry fees after the closing date except for a bitch in season (BIS).
- A refund of entry fees and prepaid meals will be allowed for BIS after the closing date. Entries that cannot be accommodated due to stakes being full will be returned as soon as possible after the closing date.

Clubhouse - Roll call and morning meeting will be held in the clubhouse.

Bathrooms – Doors should be left open between individual use of the bathrooms.

Common Items – Hunt collars will be available for easy pick up. The **starter pistol** should be placed back where you found it. Judges will get a **clipboard and pencil** on the first run they judge and that will be theirs for the entire hunt. Judges will turn in their paperwork but not their clipboard or pencils.

Draw toys will be spread out on a table by the hunt chair. One person from each run will come forward and select a run number.

Food - Lunch and a drink will be available for a fee for Saturday and Sunday. Snacks, beverages, and bottled water will be provided for this hunt. (Hot coffee and hot water will be available in the mornings.) Please be sure that you have enough snacks and beverages for your own use.

Raffle - Bring raffle items to the hunt to be raffled off. Tickets will be available. Winners pick up items after all tickets have been drawn. If your raffle item or basket has multiple things that cannot be seen or easily recognized please attach a list for others to know what wonderful items you have brought.

SUMMARY OF RULES AND STANDARD PROCEDURES for PBGVCA Hunting Tests

A complete copy of the PBGVCA Rules and Regulations with desirable qualities and faulty actions in hunting PBGVs can be viewed at [PBGVCA Hunt Rules approved 7/13/2015](#)

Hunting Tests shall be open to all AKC registered or ILP/PAL registered Petits Bassets Griffons Vendéens of six months of age or over on the first day of the event. Spayed or neutered hounds are eligible for entry.

Purpose: The purpose of Hunting Tests for Petits Bassets Griffons Vendéens is to afford an opportunity to demonstrate an individual hound's ability to perform in a manner consistent with the demands of actual hunting conditions. Testing in this manner is to gauge the hound's hunting ability, desirable qualities that indicate ability to be effective and efficient in the pursuit of quarry.

No person acting in the capacity of Hunting Tests Secretary may judge at the event for which that person is acting as Hunting Tests Secretary.

Any dog may be entered in a hunt test stake for which it is eligible, however, it must be noted on the supplementary entry form, if an advertised judge, alternate judge or any member of their family has owned, sold, held under license, boarded, trained or handled the dog within one year of the starting date of the Hunt Test, as this person may not judge the hound. For purposes of this Section, the words "any member of his family" shall include a spouse, a sibling, a parent or a child, whether natural or adopted, of the Judge in question, but shall not extend to other blood or legal relationships.

At the conclusion of the judging for each test, the club shall provide, for the Judges' signatures, the Hunting Test Score Sheets for each pack judged, showing full particulars of all dogs judged.

Titles are awarded based on application to PBGVCA as defined in the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.

Time and Running Order: Running order will be assigned by public "Draw" before the beginning of each test. Any handler may choose to declare his hound absent at roll call for any reason, but once declared present, the hound must run unless excused by the judges due to exigent circumstances (illness, injury, death).

Packs may be mixed sexes. Bitches in season may not be on the test field. Fees will be refunded for bitches that come in season after the closing date or a substitution may be made.

Marshalls: It shall be the duty of one Marshal to assist the Judges and to carry out their instructions, including regulating and controlling the gallery & seeing to it that the gallery is kept separate from and behind the Judges, and that no one in the gallery talks to the Judges while the dogs are down. Other Marshalls shall see to it that hounds are ready when called, and assist the Hunting Test Committee in all other matters necessary for the smooth and expeditious running of each Test.

Gallery: No person shall make any remarks nor give any information which might affect the actions of the persons handling the hounds or the running of the hounds unless information is specifically requested by the Judges. Any person so offending may be expelled from the running grounds on orders from the Judges, and points of merit shall not be allowed any hound whose handler acts upon such information. The Judges must be informed of any such misconduct before the close of the running of the hound(s) in which it occurs, and their decision shall be final.

Handlers: When hounds are cast a handler may speak, whistle, or work his hound in any way he may deem proper if not contrary to these Procedures unless otherwise instructed by the Judges. Hounds must show reasonable obedience to their handler's commands. Minimum run time for the Hunting Instinct Test is 20 minutes. Minimum run time for the Hunt Test is 45 minutes. If the judges indicate to the handlers that the dogs may be scored based on what has been accomplished in the minimum time, the run may be stopped, but only with the agreement of all the handlers, and only if all the dogs have achieved a passing or qualifying score and the gun shyness test has been completed (if applicable).

No hunt test or hunting instinct test run shall be started after 30 minutes following official sunset. The Hunting Test Committee and the Judges shall be responsible for enforcement of this Procedure.

Each hound under judgment must wear a different colored hunt collar or stretch band for easy identification by the Judges. The Judges' evaluation forms will have this collar color and the handler's last name. (Personal collars worn in addition to the colored hunt collar or stretch band must have a fixed circumference with no hanging tags.)

No owner or handler shall have any right to question or refuse to follow the Judges' orders.

Owners and handlers must keep themselves informed as to the running order and progress of the judging and must be ready within hailing distance when their hounds are called by the Marshal on instruction from the Judges.

Severe Training or Correction: The Hunting Test Committee and the Judges shall not permit severe disciplining of hounds on any part of the grounds. **The Committee shall investigate any reports of such conduct or of any other conduct prejudicial to the best interests of purebred dogs, PBGVCA Hunt Tests, or the American Kennel Club, according to Chapter 6, Section 5 of the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.**
