## GENERAL INFORMATION

Come join us at the Texas hunt test weekend! Enjoy practice time and mentoring in the field on Friday followed by two days of hunt tests with your PBGVs. The Lone Star Dachshund Conservatory has lots of rabbits and acres of dog-proofed fencing on which to hunt. All AKC registered PBGVs are welcome, as well as those with ILP/PAL listings.

A complete copy of the PBGVCA Rules and Regulations with desirable qualities and faulty actions in hunting PBGVs can be viewed on the PBGVCA website on the hunt page at [PBGVCA Hunt Test Rules and Standard Procedures](#).

Dogs entered individually will be placed in packs by the Hunt Secretary.

Entries for this hunt are limited and will open on Wednesday December 26, 2018, and will close Wednesday, January 9, 2019, based on postmark date. Entries postmarked before December 26, 2018, or after January 9, 2019, shall be considered invalid entries and shall be returned as soon as possible. Entries will be limited to a total of 8 runs per day, with a maximum of 1 solo run and 1 brace run per day. Entries are further limited to 1 run per dog per day. **If more entries are received (based on postmark date) than can be accommodated and there are handler/households with multiple run entries, entries will be determined as follows: First, by postmark date; Second, one or more draws may take place by postmark date to eliminate runs, starting with handler/households with the highest number of runs, then the handler/households with the next highest number of runs, etc.** The elimination draw(s) will take place shortly before the closing date, so if one of your runs is eliminated, you will be given the option of adjusting your other entries so the affected dog(s) can still run. Packs made up of dogs from more than one handler will be categorized based on the handler(s) with the fewest runs. Handler/households with multiple entries may attach a letter to the Secretaries indicating preferred priority for runs in the event that an elimination draw is required. A handler/household is defined as an individual owner of a dog or members of a household with

shared ownership of dogs. A wait list will be created based on postmark date and the run elimination scheme.

**REFUNDS –**

- Refunds for entry fees and prepaid meals will be allowed prior to closing date with written or email notification to the hunt secretary.
- No refunds of entry fees after closing date unless the entry can be replaced from the wait list, except for a bitch in season (BIS).
- A refund of entry fees and prepaid meals will be allowed for BIS after closing date with a veterinarian’s statement.
- Entries that cannot be accommodated due to stakes being full will be returned as soon as possible after closing date.

The field may be open after tests are completed on Saturday and Sunday depending on available time, at the discretion of the Committee. **Priority will be given to dogs without titles—sign up required prior to open run time on test days. Limit 7 dogs on the field at any given time.**

- **No alcoholic beverages are permitted on the club grounds including unopened containers. Any person bringing alcohol onto the property will be asked to leave and not return.**
- Safety of the dogs is our primary concern. Areas used for this event will be totally fenced.
- In consideration of others, please clean up after your dog on the field and at your hotel. Your cooperation in this matter is appreciated!

**IMPORTANT NOTICE TO ALL HANDLERS**

**All entered handlers and hounds must be present on the field for the roll call and draw at the start of the day. Hounds not checked in will be marked absent. Hunt Tests Stakes and Hunting Instinct Tests will be included in the same draw.**

**Hounds entered individually (not in pre-arranged packs) will be assigned to packs by the secretary prior to the draw. Judges for each run will be assigned by the Secretary after the draw is complete.**

**ENTRIES OPEN ON December 26, 2018, AND CLOSE ON January 9, 2019. THERE WILL BE NO SAME DAY ENTRY.**

## SUMMARY OF RULES AND REGULATIONS for PBGVCA Hunting Tests

*A complete copy of the PBGVCA Rules and Regulations with desirable qualities and faulty actions in hunting PBGVs can be viewed at [PBGVCA Hunt Rules approved 7/13/2015](#)*

Hunting Tests shall be open to all AKC registered or ILP/PAL registered Petits Bassets Griffons Vendéens of six months of age or over on the first day of the event. Spayed or neutered hounds are eligible for entry.

**Purpose:** The purpose of Hunting Tests for Petits Bassets Griffons Vendéens is to afford an opportunity to demonstrate an individual hound's ability to perform in a manner consistent with the demands of actual hunting conditions. Testing in this manner is to gauge the hound's hunting ability, desirable qualities that indicate ability to be effective and efficient in the pursuit of quarry.

No person acting in the capacity of Hunting Tests Secretary may judge at the event for which that person is acting as Hunting Tests Secretary.

**Any dog may be entered in a hunt test stake for which it is eligible, however, it must be noted on the supplementary entry form, if an advertised judge, alternate judge or any member of their family has owned, sold, held under license, boarded, trained or handled the dog within one year of the starting date of the Hunt Test, as this person may not judge the hound.** For purposes of this Section, the words "any member of his family" shall include a spouse, a sibling, a parent or a child, whether natural or adopted, of the Judge in question, but shall not extend to other blood or legal relationships.

At the conclusion of the judging for each test, the club shall provide, for the Judges' signatures, the Hunting Test Score Sheets for each pack judged, showing full particulars of all dogs judged.

Titles are awarded based on application to PBGVCA as defined in the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.

**Time and Running Order:** Running order will be assigned by public "Draw" before the beginning of each test. Any handler may choose to declare his hound absent at roll call for any reason, but once declared present, the hound must run unless excused by the judges due to exigent circumstances (illness, injury, death).

Packs may be mixed sexes. Bitches in season may not be on the test field. Fees will be refunded for bitches that come in season after the closing date or a substitution may be made.

**Marshals:** It shall be the duty of one Marshal to assist the Judges and to carry out their instructions, including regulating and controlling the gallery & seeing to it that the gallery is kept separate from and behind the Judges, and that no one in the gallery talks to the Judges while the dogs are down. Other Marshals shall see to it that hounds are ready when called, and assist the Hunting Test Committee in all other matters necessary for the smooth and expeditious running of each Test.

**Gallery:** No person shall make any remarks nor give any information which might affect the actions of the persons handling the hounds or the running of the hounds unless information is specifically requested by the Judges. Any person so offending may be expelled from the running grounds on orders from the Judges, and points of merit shall not be allowed any hound whose handler acts upon such information. The Judges must be informed of any such misconduct before the close of the running of the hound(s) in which it occurs, and their decision shall be final.

**Handlers:** When hounds are cast, a handler may speak, whistle, or work his hound in any way he may deem proper, if not contrary to these Procedures, unless otherwise instructed by the Judges. Hounds must show reasonable obedience to their handler's commands. Minimum run time for the hunting instinct test is 20 minutes. Minimum run time for the hunt test is 45 minutes. If the judges indicate to the handlers that the dogs may be scored based on what has been accomplished in the minimum time, the run may be stopped, but only with the agreement of all the handlers, and only if all the dogs have achieved a passing or qualifying score and the gun shyness test has been completed (if applicable).

No hunt test or hunting instinct test run shall be started after 30 minutes following official sunset. The Hunting Test Committee and the Judges shall be responsible for enforcement of this Procedure.

Each hound under judgment must wear a different colored hunt collar or stretch band for easy identification by the Judges. The Judges' evaluation forms will have this collar color and the handler's last name. (Personal collars worn in addition to the colored hunt collar or stretch band must have a fixed circumference with no hanging tags.)

No owner or handler shall have any right to question or refuse to follow the Judges' orders.

Owners and handlers must keep themselves informed as to the running order and progress of the judging and must be ready within hailing distance when their hounds are called by the Marshal on instruction from the Judges.

**Severe Training or Correction:** The Hunting Test Committee and the Judges shall not permit severe disciplining of hounds on any part of the grounds. **The Committee shall investigate any reports of such conduct or of any other conduct prejudicial to the best interests of purebred dogs, PBGVCA Hunt Tests, or the American Kennel Club, according to Chapter 6, Section 5 of the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.**
