General Information

The moon will be waxing and the Were-Rabbit will be on the prowl at the October PBGV Hunt Test. Come visit Willowa Beagle Club located in the rolling hills of southwest Wisconsin and trick-or-treat with your PBGVs for rabbits on Willowa's two 20 acre hunt fields with dog-proofed fencing. Enjoy practice time and mentoring in the fields on Friday followed by two days of hunt tests with your PBGVs. All AKC registered PBGVs are welcome, including those with ILP/PAL listings. Halloween costumes for handlers are optional! (None are allowed for the hounds.)

A complete copy of the PBGVCA Rules and Regulations with desirable qualities and faulty actions in hunting PBGVs can be viewed at www.pbgv.org.

Dogs entered individually will be placed in packs by the Hunt Secretary.

READ THE FOLLOWING INFORMATION CAREFULLY.

Entries for this hunt are limited and will open on Wednesday, September 27, 2023, at 8:00 am and will close at 5:00 pm, Wednesday, October 11, 2023. Entries postmarked before Wednesday, September 27, 2023, or postmarked after Wednesday, October 11, 2023, shall be considered invalid entries and shall be returned as soon as possible. There are ten hours of run time available. Stakes offered will be as follows: 5 pack stakes, 1 brace stake, 1 solo stake, and 1 HIT pack. Entries will be awarded first come, first served based on postal cancellation date. If 1 or more stakes are not completely filled, the chair reserves the right to increase the entry limits on 1 or more of the other stakes based on entries submitted. **Read the Important Notice to Handlers on page 4.**

Weather in late October can be cold and wet. The event will be held in rain, snow, and cold, so long as it is not deemed unsafe or unjudgable by the event committee. Individual runs may be postponed in the event of unsafe conditions or conditions that make judging impossible. If the entire event is postponed, entrants will be given refunds of fees. In the event of lightning, runs will be suspended and everyone shall be called off the fields until the chairperson deems it safe to resume.

Walking sticks and canes will be allowed on the field (using discretion around any hounds that are sensitive to them). Wheeled mobility aids, carts, or other vehicles will not be allowed due to the uneven terrain at these fields.

- Refunds for entry fees will be allowed prior to closing date with written or email notification to the Hunt Secretary.
- No refunds after closing date, except Bitch-In-Season unless the entry can be replaced by a wait-listed entry.
- A refund of entry fees will be allowed for BIS (not for other PBGVs entered by the entrant, or for pack or brace mates) after closing date with a veterinarian statement.
- Entries that can't be accommodated due to stakes being full will be returned as soon as possible after closing date.
- The field will be open after tests are completed on Saturday and Sunday depending on available time.

NOTICE TO HANDLERS

- **Handlers must be present at the time of each draw. Hounds will be checked in but need not be present. Hounds not checked in will be marked absent.**
- **All stakes and runs will be drawn together in the normal fashion on Saturday and Sunday mornings.**
- **There will be no Friday runs at this event.**
- **HIT packs will be made up by the Hunt Secretary and will include an experienced dog running “for exhibition only” whenever possible.**
- **Individual pack stake entries will be placed in packs by the Secretary prior to the draw. This reduction will be used for each day of runs (Saturday and Sunday) if needed. Do not enter more stakes than offered on any day. (I.e., don’t enter more than 1 solo per day, don’t enter more than 1 brace per day, and don’t enter more than 5 packs in a day (of course, none of us have enough dogs to enter 5 packs). You may enter any combination of a solo, a brace, multiple packs and a HIT in a day, but don’t enter 2 solos and/or 2 braces on any day. You can enter a solo and a brace and in a pack or packs on Saturday; you can do the same on Sunday; you can enter a solo on Saturday and a solo on Sunday; you can enter a brace on Saturday and a brace on Sunday. Each day is treated separately.) If more entries are received than can be accommodated and there are households with multiple runs, one or more methods may be used to eliminate or reduce runs, (1) starting with households that entered more than one of any combination of solos and braces for the day (reducing that number to one for the households, and then drawing to restore as openings are available to fill the runs); (2) then if needed, drawing to eliminate runs based on the total number of runs starting with the highest number of runs per household, then households with the next highest number of runs, etc. If one of your runs is eliminated, you will be given the option of adjusting your other entries so the impacted dog(s) might be able to run. This reduction and draw will be done either shortly before the hunt closes or when the hunt is full whichever comes first. Households with multiple runs in the hunt may note on their registration form indicating priority of their runs in the event that an elimination draw is required. If**

your run(s) are impacted you will be notified by phone or email before changes are made to your entry. Every effort will be made to not eliminate dogs from running. Be sure we have your phone number and email address.

- **You MUST indicate any issues for individual pack entries (i.e., can't run with other males, can't run with intact females) on your entry form. You are responsible for your failure to do so. Reasonable efforts will be made to accommodate such issues, but accommodations are not guaranteed. If an accommodation is not possible, you are responsible for determining whether your dog should run.**
- **Handlers are requested to be responsible for bitches in season, including segregation from entered dogs and common areas. You are not to bring bitches known to be in season.**
- **Individually entered dogs may be added to pre-arranged packs with the agreement of all affected handlers.**
- Alcoholic beverages are permitted in the RV and parking area and in the Willowa Beagle Club but not the hunt fields.
- Safety of the dogs is our primary concern. Areas used for the Hunt Tests will be totally fenced.
- In consideration of others, you will be expected to clean up after your dog outside of the hunt field.
- All handlers will be expected to marshal runs during the weekend. Marshals will be assigned immediately following the draw.

SUMMARY OF RULES AND REGULATIONS for PBGVCA Hunting Tests

A complete copy of the PBGVCA Rules and Regulations with desirable qualities and faulty actions in hunting PBGVs can be viewed at <https://pbgv.org/images/PDF/Breed%20Info/PBGVCA%20Hunt%20Rules%20approved%2009-15-2022.pdf>

Hunting Tests shall be open to all AKC registered or ILP/PAL registered Petit Basset Griffon Vendéens of six months of age or over on the first day of the event. Spayed or neutered hounds are eligible for entry.

No person acting in the capacity of Hunting Tests Secretary may judge at the event for which that person is acting as Hunting Tests Secretary.

Any dog may be entered in a hunt test stake for which it is eligible, however, it must be noted on the supplementary entry form, if an advertised judge, alternate judge or any member of their family has owned, sold, held under license, boarded, trained or handled the dog within one year of the starting date of the Hunt Test, as this person may not judge the hound.

For purposes of this Section, the words "any member of his family" shall include a spouse, a sibling, a parent or a child, whether natural or adopted, of the Judge in question, but shall not extend to other blood or legal relationships.

At the conclusion of the judging for each test, the club shall provide, for the Judges' signatures, the Hunting Test Score Sheets for each pack judged, showing full particulars of all dogs judged.

Titles are awarded based on application to PBGVCA as defined in the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.

Purpose: The purpose of Hunting Tests for Petit Basset Griffon Vendéen is to afford an opportunity to demonstrate an individual hound's ability to perform in a manner consistent with the demands of actual hunting conditions. Testing in this manner is to gauge the hound's hunting ability, desirable qualities that indicate ability to be effective and efficient in the pursuit of quarry.

Time and Running Order: Running order will be assigned by public "Draw" before the beginning of each test day.

Packs may be mixed sexes. Bitches-in-season may not be on the test field. Fees will be refunded for bitches that come in season after the closing date or a substitution may be made.

No hounds shall be put down after 30 minutes following official sunset. The Hunting Test Committee and the Judges shall be responsible for enforcement of this Procedure.

Marshals: It shall be the duty of one Marshal to assist the Judges and to carry out their instructions, including regulating and controlling the gallery & seeing to it that the gallery is kept separate from and behind the Judges, and that no one in the gallery talks to the Judges while the dogs are down. Marshals shall assist the Judges in all other matters necessary for the smooth and expeditious running of each Test.

Gallery: No person shall make any remarks nor give any information which might affect the actions of the persons handling the hounds or the running of the hounds unless information is specifically requested by the Judges. Any person so offending may be expelled from the running grounds on orders from the Judges, and points of merit shall not be allowed any hound whose handler acts upon such information. The Judges must be informed of any such misconduct before the close of the running of the hound(s) in which it occurs, and their decision shall be final.

Handlers: When hounds are cast, a handler may speak, whistle, sound a horn to his hound or work in any way he may deem proper, if not contrary to these Procedures, unless otherwise instructed by the Judges. Hounds must show reasonable obedience to their handler's commands.

Each hound under judgment must wear a different colored hunt collar or stretch band for easy identification by the Judges. The Judges' evaluation forms will have this collar color and the handler's last name. (Personal collars worn in addition to the colored hunt collar or stretch band must have a fixed circumference with no hanging tags.)

No owner or handler shall have any right to question or refuse to follow the Judges' orders.

Owners and handlers must keep themselves informed as to the running order and progress of the judging and must be ready within hailing distance when their hounds are called by the Marshal on instruction from the Judges.

Severe Training or Correction: The Hunting Test Committee and the Judges shall not permit severe disciplining of hounds on any part of the grounds. The Committee shall investigate any reports of such conduct or of any other conduct prejudicial to the best interests of purebred dogs, PBGVCA Hunt Tests, or the American Kennel Club, according to Chapter 6, Section 5 of the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.
