GENERAL HUNT INFORMATION

Finish up your week at the PBGVCA Regional/National Specialty with 3 days of hunting at the Belmont Jefferson Beagle Club in St. Clairsville, OH. All AKC registered Petits are welcome, including those with PAL listings. A complete copy of the PBGVCA Rules and Regulations with desirable qualities and faulty actions in hunting PBGVs can be viewed at [\(Rules\)](#). A summary of the Rules and Standard Procedures is included on page 11 of this document. Requirements for PBGVCA Hunt Titles are listed on page 12. [Regional/National Specialty Schedule, Roberts Center, Wilmington, OH](#)

Belmont Jefferson Beagle Club was established in 1937 and boasts 3 fields, each with observation towers so we can see the rabbits and watch our dogs demonstrate their natural ability for trailing the game. The cover is purposely kept low to facilitate watching the rabbits and the dogs. The field is a short drive from nearby St. Clairsville, OH, just off I-70, 2 ½ hours from the Roberts Center in Wilmington, OH.

Entries will be limited to 8 packs, 4 braces, 2 solos, and 2 HIT runs each day. Entries are further limited to 1 run per dog per day. The Secretary reserves the right to increase entries in one or more stakes as needed. Runs may be held concurrently on two or three fields depending on judge availability. For further details, please refer to "How to complete the Entry Form" on page 7. See Overfilled Hunt Statement on page 3.

Entries open Tuesday, February 13, 2024 and close Thursday, March 14, 2024 (based on postmark date) or when the hunt is full. Entries post marked before February 13 or after March 14 will not be accepted. Handlers using US mail are encouraged to send entries by Priority Mail which includes tracking. Please save a copy of your entries and postal receipt as a backup. If you have not received email confirmation that your entries have been received within 7 days of sending them, please contact the secretary.

Online entries will also be accepted with the send date equivalent to a postmark date. After completing your entry forms, including supplementary forms and summary sheet, send digital versions (pdf preferred but photo is ok) to the Secretary at purban26701@yahoo.com. Send payment to treasurer@pbgv.org via [PayPal](#). Forward your PayPal confirmation email to the Secretary to show proof of payment. The secretary must receive all forms and proof of payment for the entry to be accepted. Emails sent before 8 am EST on February 13, 2024 or after 11 pm EDT on March 14, 2024 will not be accepted. Overfilled Hunt Statement: ***IMPORTANT NOTICE: If more entries are received than can be accommodated and there are households with multiple runs, one or more draws may take place to eliminate runs, starting with households with the highest number of runs, then households with the next highest number of runs, etc. If one of your runs is eliminated, you will be given the option of adjusting your other entries so the impacted dog(s) can still run. This will be done either shortly before hunt entries close or when available entries are full, whichever comes first. If your entries are impacted you will be notified by phone or email before changes are made to your entry. Every effort will be made to avoid eliminating dogs from running.***

Weather Statement: This is an outdoor event. We will continue, rain or shine, with the exception of lightning. If lightning is seen, all people and dogs will come off the field and take appropriate shelter. If distant thunder is heard or storms are predicted, the decision to shut down the hunt will be made by the event committee in consultation with the judges on the field, using all available meteorological data and following the 30/30 rule for lightning. If weather delay results in the runs not being completed on Monday, the unfinished runs will take place Tuesday morning followed by the draw for Tuesday runs. If Tuesday runs cannot be completed due to weather there will be no refunds for the affected handlers.

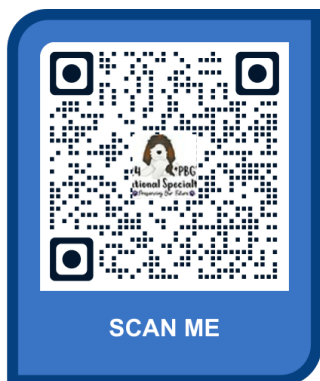

Awards/ribbons: All qualifying dogs will receive rosettes with side tabs specifying the National Hunt and the year. In additions, qualifiers will receive embroidered patches with the 2024 National Hunt logo. Additional awards and trophies may be provided.

Logo: Many thanks to Coady Egan for the original 2024 National Hunt logo idea and to Char Allmann for collaborating on the design.

Catalog: A digital catalog will be provided to all participants once entries are complete for printing individually. The catalog will be marked with results and redistributed after the event as well as being posted on the PBGVCA website.

COVID statement: We will follow CDC, state, and local guidelines in place on the dates of the hunt. Since these guidelines are constantly evolving, it is too early to know exactly what precautions will need to be in place. We will send out an email with any COVID guidelines closer to the hunt dates. Please be respectful of the risk tolerance of others. Social distancing is a courtesy and mask wearing is a personal choice (unless you have the sniffles—don't be the person who gives the entire group COVID).

PBGVCA Hunt Tests Offered

Hunting Instinct Test (HIT)—This test is open to all PBGVs 6 months and older registered with AKC. Hunting Instinct Certified (HC) will be granted by the PBGVCA to any PBGV passing the HIT. **A PBGV may not be entered in the Hunt Test until it has passed the HIT.**

Hunt Test—This test is open to any PBGV who has passed a PBGVCA Hunting Instinct Test, or received an equivalent qualification by an established hound association. The hunt test includes Pack, Brace, and Solo stakes. All qualifying scores must be applied towards an appropriate hunt title for which a prerequisite has been earned. High qualifying scores may not be saved for advanced titles. For a description of the PBGVCA Hunt Test Title Requirements, see final page of this premium list.

Non-Regular Classes offered (Sunday 4/7 only)

Puppy Learning Experience (PLE)—for PBGV puppies 3-6 months old. This experience includes presentation of information about exposing puppies to hunt field conditions, how to get puppies to go in cover, how scent works in the field, relevant information about rabbit behavior, and how to work with puppies at home to improve hunt skills. Puppies will be exposed to a live rabbit if one is available.

Novice Learning Experience (NLE)—for PBGVs 6 months and older who have not passed a Hunting Instinct Test. The same material will be covered as in the PLE but more time will be spent in the field with an experienced dog providing guided hunting experience for the novice dogs.

Entry Fees	
Hunting Instinct Test	\$20.00
Pack Stake	\$25.00
Brace Stake	\$37.50 per dog
Solo Stake	\$75.00
PLE/NLE	\$15.00
Move up from HIT	\$ 5.00

Move up from HIT is offered for dogs who pass the HIT on the first day of the test, or at a previous test held after the entry closing date for this test, if space is available to add an additional pack stake entry. No move-ups from HIT to Hunt Test will be accepted for the day on which the PBGV has been marked as passing the HIT.

IMPORTANT NOTICES FOR ALL HANDLERS

All entered handlers and hounds must be present on the field for the roll call and draw at the start of the day. Hounds not checked in will be marked absent. All Hunt Tests Stakes and Hunting Instinct Tests will be included in the same draw.

Hounds entered individually (not in pre-arranged packs) will be assigned to packs by the secretary prior to the draw. The secretary cannot guarantee the gender of running mates for individually entered hounds. Consider entering as part of a prearranged pack if your dog may not get along with unfamiliar packmates. Judges for each run will be assigned by hunt officials once the draw is complete.

Field Marshal sign up will occur once the draw is complete. Please volunteer to marshal—it's a great way to help the club and gives you a chance to watch the dogs hunt up close.

Handlers should have their dogs ready prior to their scheduled run time—be mindful that the previous run might finish early.

- Alcohol is discouraged at the clubhouse and is not allowed on the hunt field.
- These grounds have rough terrain—please use caution; a walking stick is recommended.
- Safety of the dogs is our primary concern. Areas used for this event will be totally fenced. Please be sure the gate is properly closed as you enter or leave the running grounds.
- In consideration of others, please clean up after your dog on the field and at your hotel. Your cooperation in this matter is appreciated! Any behavior that leads to complaint at the hotel will result in a disciplinary meeting by the event committee.
- New handlers are strongly advised to attend at least one Puppy/Novice Learning Experience
- The Hunt Test is an off-lead test. NO long lines (except as stipulated in the PBGVCA Rules and Standard Procedures), leashes, or food may be used once a PBGV is released until the judges request that the dogs be picked up (leashed) and removed from the field.
- If Monday's tests cannot be completed due to darkness, they will resume on Tuesday followed immediately by the draw for Tuesday's tests.

REFUNDS –

- Refunds for entry fees and prepaid meals will be allowed prior to closing date with written or email notification to the hunt secretary.
- A refund of entry fees and prepaid meals will be allowed for a bitch in season (BIS) after closing date with a veterinarian statement. Bitches will be checked for signs of being in heat prior to each run. **No refunds will be issued for bitches found to be in heat after roll call.**
- Entries that cannot be accommodated due to stakes being full will be returned as soon as possible after closing date.
- Refunds may be made after the closing date if you are unable to attend the hunt due to COVID symptoms, positive test, or recent exposure. Please contact the Event Chairperson and Hunt Secretary to discuss your refund options.

SUMMARY OF RULES AND STANDARD PROCEDURES for PBGVCA Hunting Tests

A complete copy of the PBGVCA Rules and Regulations with desirable qualities and faulty actions in hunting PBGVs can be viewed at [PBGVCA Hunt Test Rules and Standard Procedures](#)

Hunting Tests shall be open to all AKC registered or PAL registered Petits Bassets Griffons Vendéens of six months of age or over on the first day of the event. Spayed or neutered hounds are eligible for entry.

Purpose: The purpose of Hunting Tests for Petits Bassets Griffons Vendéens is to afford an opportunity to demonstrate an individual hound's ability to perform in a manner consistent with the demands of actual hunting conditions. Testing in this manner is to gauge the hound's hunting ability, desirable qualities that indicate ability to be effective and efficient in the pursuit of quarry.

No person acting in the capacity of Hunting Tests Secretary may judge at the event for which that person is acting as Hunting Tests Secretary.

Any dog may be entered in a hunt test stake for which it is eligible, however, it must be noted on the supplementary entry form, if an advertised judge, alternate judge or any member of their family has owned, sold, held under license, boarded, trained or handled the dog within one year of the starting date of the Hunt Test, as this person may not judge the hound. For purposes of this Section, the words "any member of his family" shall include a spouse, a sibling, a parent or a child, whether natural or adopted, of the Judge in question, but shall not extend to other blood or legal relationships.

At the conclusion of the judging for each test, the club shall provide, for the Judges' signatures, the Hunting Test Score Sheets for each pack judged, showing full particulars of all dogs judged.

Titles are awarded based on application to PBGVCA as defined in the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.

Time and Running Order: Running order will be assigned by public "Draw" before the beginning of each test. Any handler may choose to declare his hound absent at roll call for any reason, but once declared present, the hound must run unless excused by the judges due to exigent circumstances (illness, injury, death).

Packs may be mixed sexes. Bitches in season may not be on the test field. Fees will be refunded for bitches that come in season after the closing date or a substitution may be made. No refunds will be issued for bitches found to be in heat after roll call.

Marshals: It shall be the duty of one Marshal to assist the Judges and to carry out their instructions, including regulating and controlling the gallery & seeing to it that the gallery is kept separate from and behind the Judges, and that no one in the gallery talks to the Judges while the dogs are down. Other Marshals shall see to it that hounds are ready when called, and assist the Hunting Test Committee in all other matters necessary for the smooth and expeditious running of each Test. *The field marshal will check all female hounds for signs of heat prior to releasing the dogs on the field.*

Gallery: No person shall make any remarks nor give any information which might affect the actions of the persons handling the hounds or the running of the hounds unless information is specifically requested by the Judges. Any person so offending may be expelled from the running grounds on orders from the Judges, and points of merit shall not be allowed any hound whose handler acts upon such information. The Judges must be informed of any such misconduct before the close of the running of the hound(s) in which it occurs, and their decision shall be final.

Handlers: When hounds are cast a handler may speak, whistle, or work his hound in any way he may deem proper if not contrary to these Procedures unless otherwise instructed by the Judges. Hounds must show reasonable obedience to their handler's commands. Minimum run time for the Hunting Instinct Test is 20 minutes. Minimum run time for the Hunt Test is 45 minutes. If the judges indicate to the handlers that the dogs may be scored based on what has been accomplished in the minimum time, the run may be stopped, but only with the agreement of all the handlers, and only if all the dogs have achieved a passing or qualifying score and the gun shyness test has been completed (if applicable).

No hunt test or hunting instinct test run shall be started after 30 minutes following official sunset. The Hunting Test Committee and the Judges shall be responsible for enforcement of this Procedure.

Each hound under judgment must wear a different colored hunt collar or stretch band for easy identification by the Judges. The Judges' evaluation forms will have this collar color and the handler's last name. (Personal collars worn in addition to the colored hunt collar or stretch band must have a fixed circumference with no hanging tags.)

No owner or handler shall have any right to question or refuse to follow the Judges' orders.

Owners and handlers must keep themselves informed as to the running order and progress of the judging and must be ready within hailing distance when their hounds are called by the Marshal on instruction from the Judges.

Severe Training or Correction: The Hunting Test Committee and the Judges shall not permit severe disciplining of hounds on any part of the grounds. **The Committee shall investigate any reports of such conduct or of any other conduct prejudicial to the best interests of purebred dogs, PBGVCA Hunt Tests, or the American Kennel Club, according to Chapter 6, Section 5 of the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.**
