The hunt field will be available for open field time on Friday and after tests are completed on Saturday and Sunday depending on available time. A raffle will be held on Saturday. **See page 13 for Covid-19 precautions before deciding to attend this hunt.**

Entries for this hunt are limited and will open on Wednesday September 1st and close on Wednesday September 15th, 2021. Entries postmarked before September 1st or after September 15th will not be accepted. Stakes offered will be 1 solo or brace, 6 packs, and 2 HIT stakes. Entries limited to 8 hours of judging. **Entries will be accepted first based on postal cancellation date, not date received.** In the event that entries for 1 or more stakes are not filled, the chair reserves the right to increase the entry limit on other stakes based on entries received. **Please read Important Notice to Handlers on page 4.** Dogs entered individually will be placed in packs by the hunt chair. An email acknowledgement that your entry has been received will be sent to those providing an email address.

Refunds – A refund of entry fees will be allowed prior to the closing date with written or email notification to the hunt secretary. **No refund of entry fees will be given after the closing date unless the entry can be replaced by a wait listed entry if one is available except for a Bitch in Season (BIS).** A refund of entry fees for the BIS (not other pack mates) will be allowed after the closing date with a veterinarian statement. Hunt Tests may continue through the lunch hour depending on the entry.

*** * * *** If more entries are received than can be accommodated and there are households with multiple runs, one or more draws may take place to eliminate runs, starting with households with the highest number of runs, then households with the next highest number of runs, etc. If one of your runs is eliminated, you will be given the option of adjusting your other entries so the impacted dog(s) might be able to run. This will be done either shortly before the hunt closes or when the hunt is full whichever comes first. Households with multiple runs in the hunt may attach a note to entries indicating priority of your runs in the event that an elimination draw is required. If your run(s) are impacted you will be notified by phone or email before changes are made to your entry. Every effort will be made to not eliminate dogs from running if possible. Be sure we have your phone number and email address.*** * * ***

Safety of the dogs is our primary concern. Areas used for this event will be totally fenced including the club house and parking areas.

SUMMARY OF RULES AND REGULATIONS for PBGVCA Hunting Tests

A complete copy of the PBGVCA Rules and Regulations with desirable qualities and faulty actions in hunting PBGVs can be viewed at http://www.pbgvca.org/images/BreedInfo/PBGVCA-Hunt-Rules-7_13_2015.pdf

Hunting Tests shall be open to all AKC registered or ILP/PAL registered Petit Basset Griffon Vendees of six months of age or over on the first day of the event. Spayed or neutered hounds are eligible for entry.

No person acting in the capacity of Hunting Tests Secretary may judge at the event for which that person is acting as Hunting Tests Secretary.

Any dog may be entered in a hunt test stake for which it is eligible, however, it must be noted on the supplementary entry form, if an advertised judge, alternate judge or any member of their family has owned, sold, held under license, boarded, trained or handled the dog within one year of the starting date of the Hunt Test, as this person may not judge the hound.

For purposes of this Section, the words "any member of his family" shall include a spouse, a sibling, a parent or a child, whether natural or adopted, of the Judge in question, but shall not extend to other blood or legal relationships.

At the conclusion of the judging for each test, the club shall provide, for the Judges' signatures, the Hunting Test Score Sheets for each pack judged, showing full particulars of all dogs judged.

Titles are awarded based on application to PBGVCA as defined in the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.

Purpose: The purpose of Hunting Tests for Petit Basset Griffon Vendéen is to afford an opportunity to demonstrate an individual hound's ability to perform in a manner consistent with the demands of actual hunting conditions. Testing in this manner is to gauge the hound's hunting ability, desirable qualities that indicate ability to be effective and efficient in the pursuit of quarry.

Time and Running Order: Running order will be assigned by public "Draw" before the beginning of each test day.

Packs may be mixed sexes. Bitches in season may not be on the test field. Fees will be refunded for bitches that come in season after the closing date or a substitution may be made.

No hounds shall be put down after 30 minutes following official sunset. The Hunting Test Committee and the Judges shall be responsible for enforcement of this Procedure.

Marshals: It shall be the duty of one Marshal to assist the Judges and to carry out their instructions, including regulating and controlling the gallery & seeing to it that the gallery is kept separate from and behind the Judges, and that no one in the gallery talks to the Judges while the dogs are down. Marshals shall assist the Judges in all other matters necessary for the smooth and expeditious running of each Test.

Gallery: No person shall make any remarks nor give any information which might affect the actions of the persons handling the hounds or the running of the hounds unless information is specifically requested by the Judges. Any person so offending may be expelled from the running grounds on orders from the Judges, and points of merit shall not be allowed any hound whose handler acts upon such information. The Judges must be informed of any such misconduct before the close of the running of the hound(s) in which it occurs, and their decision shall be final.

Handlers: When hounds are cast, a handler may speak, whistle, sound a horn to his hound or work in any way he may deem proper, if not contrary to these Procedures, unless otherwise instructed by the Judges. Hounds must show reasonable obedience to their handler's commands.

Each hound under judgment must wear a different colored hunt collar or stretch band for easy identification by the Judges. The Judges' evaluation forms will have this collar color and the handler's last name. (Personal collars worn in addition to the colored hunt collar or stretch band must have a fixed circumference with no hanging tags.)

No owner or handler shall have any right to question or refuse to follow the Judges' orders.

Owners and handlers must keep themselves informed as to the running order and progress of the judging and must be ready within hailing distance when their hounds are called by the Marshal on instruction from the Judges.

Severe Training or Correction: The Hunting Test Committee and the Judges shall not permit severe disciplining of hounds on any part of the grounds. The Committee shall investigate any reports of such conduct or of any other conduct prejudicial to the best interests of purebred dogs, PBGVCA Hunt Tests, or the American Kennel Club, according to Chapter 6, Section 5 of the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.

Covid-19 Hunt Guidelines for the Wisconsin Hunt
(guidelines may be updated depending on circumstances closer to the hunt)

Social Distancing - Practice social distancing when possible except with members of your household or people you are traveling or staying with. We will need to be mindful of keeping our distance from others and respect that everyone may have a different level of risk as well as a different level of comfort around others.

Masks – Masks should be worn at all times in indoor spaces and outdoors where people are gathered meetings (morning meeting, judges meeting, judges discussions) and events (raffle, etc.) Masks should be worn as handlers and judges gather for a run and pictures are taken but may be removed once the run is underway and people are spread out. Consideration should be taken in putting masks back on if circumstances on the field lead to close proximity (such as running past another handler or judge). People are not required to wear masks at their set ups (cars, campsites, etc.) but should be prepared to wear a mask when anyone else approaches. The event committee may decide to limit or eliminate observers/gallery on the field to avoid proximity. The default should be to wear a mask and maintain social distance. Please pack enough masks to last you while at the hunt.

Clubhouse - Secretary and Hunt Chair will be the only ones allowed in the clubhouse.

Bathrooms – Doors should be left open between individual use of the bathrooms and exhaust fans on if available. While waiting for the bathroom please social distance.

Common Items - Hunt collars will be kept spread out on a table for easy pick up. Disinfectant wipes will be available to wipe down collars by the person who is getting ready to use the collar. The **starter pistol** should be wiped down with disinfectant wipes before each use by the marshal who will be using it. Judges will get a **clip board and pencil** on the first run they judge and that will be theirs for the entire hunt. Judges will turn in their paper work but not their clip board or pencils. **Draw token bunnies** will be spread out on a table by the hunt chair. One person from each run will come forward and indicate which bunny they would like to be turned over by the hunt chair. The hunt chair and chief marshal will be the only ones to write in the **run board** each with a different color marker. Everyone should bring their own **chairs**. Please do not sit in chairs that are not yours even if they are empty.

Food - Subway boxed lunches will be available for a fee. Social distancing should be practiced during food pick up. We will forego our usual snacks, beverages, and bottled water for this hunt. Please bring your own.

Raffle - Tickets will be prepacked in baggies. Correct money should be dropped in container. One person with gloves will pick all tickets and tape to items. Winners pick up item after all tickets have been drawn, practicing social distancing. Items should not be handled by anyone once set up until they are picked up by winner. If your raffle item or basket has multiple things that cannot be seen or easily recognized please attach a list for others to know what wonderful items you have brought.
