General Hunt Information

Enjoy a SPRING hunt near Roscoe, Illinois conveniently located between Rockford, IL, and Beloit, WI. The Northern Illinois Beagle Club (NIBC) has a well maintained field with dog-proofed fencing on which to hunt. The hunt field will be available for open field time and mentoring on Friday and after tests are completed on Saturday and Sunday depending on available time. All AKC registered PBGVs are welcome, including those with PAL listings. A raffle will be held on Sunday.

A complete copy of the PBGVCA Rules and Regulations with desirable qualities and faulty actions in hunting PBGVs can be viewed at www.pbgvca.org.

Entries for this hunt are limited and will open on Wednesday, April 5th and close on Wednesday, April 19th, 2023. Entries postmarked before April 5th or after April 19th will not be accepted. Stakes offered will be 2 brace, 2 solo, 4 packs, and 1 HIT stake each day. Entries limited to 9 hours of judging. Entries will be accepted first based on postal cancellation date, not date received. In the event that entries for 1 or more stakes are not filled, the chair reserves the right to increase the entry limit on other stakes based on entries received. Please read Important Notice to Handlers on page 4. Dogs entered individually will be placed in packs by the hunt chair. In the event the entries fill before the closing date, a wait list will be generated. All entries will receive an email acknowledgment that the entry has been received to those providing an email address.

Weather in northern Illinois is unpredictable. The event will be held in heat, rain, snow, and cold, so long as it is not deemed unsafe or unjudgable by the event committee. Runs may be postponed or canceled in the event of unsafe conditions that make judging impossible. If the entire event is postponed, entrants will be given refunds of entry fees.

Refunds – A refund of entry fees will be allowed prior to the closing date with written or email notification to the hunt secretary. No refund of entry fees will be given after the closing date unless the entry can be replaced by a wait-listed entry if one is available except for a Bitch in Season (BIS). A

refund of entry fees for a BIS (not other pack mates) will be allowed after the closing date with a veterinarian statement. Any wait-listed entry not moved off of the wait list and into the hunt by April 19th will receive a full refund.

IMPORTANT NOTICES TO HANDLERS

- Handlers must be present at the time of each draw. Hounds will be checked in at the draw but need not be present. Hounds not checked in will be marked absent.
- The hunt chair reserves the right if this trial overfills some runs may be held on Friday.
- Hunt Tests may continue through the lunch hour depending on the entry.
- If more entries are received than can be accommodated and there are households with multiple runs, one or more methods may be used to eliminate or reduce runs, (1) starting with households that entered more than one of any combination of solos and braces for the weekend (reducing that number to one for the households, and then drawing to restore as openings are available to fill the runs); (2) then if needed, drawing to eliminate runs based on the total number of runs starting with the highest number of runs per household, then households with the next highest number of runs, etc. If one of your runs is eliminated, you will be given the option of adjusting your other entries so the impacted dog(s) might be able to run. This will be done either shortly before the hunt closes or when the hunt is full whichever comes first. Households with multiple runs in the hunt may note on their registration form indicating priority of their runs in the event that an elimination draw is required. If your run(s) are impacted you will be notified by phone or email before changes are made to your entry. Every effort will be made to not eliminate dogs from running. Be sure we have your phone number and email address.
- Safety of the dogs is our primary concern. Areas used for this event will be totally fenced except the clubhouse and parking area.
- In consideration of others, you will be expected to clean up after your dog(s) in the area around the club house. Please keep your parking area clean and picked up. Your cooperation is appreciated.

- Alcoholic beverages are permitted on NIBC grounds but not on the hunt field. Use discretion in consumption.

If you are sick, have been exposed to, or have symptoms of Covid19 or flu, Please Do Not Attend.

SUMMARY OF RULES AND REGULATIONS for PBGVCA Hunting Tests

A complete copy of the PBGVCA Rules and Regulations with desirable qualities and faulty actions in hunting PBGVs can be viewed at <https://pbgv.org/images/PDF/Breed%20Info/PBGVCA%20Hunt%20Rules%20approved%2009-15-2022.pdf>

Hunting Tests shall be open to all AKC registered or ILP/PAL registered Petit Basset Griffon Vendéens of six months of age or over on the first day of the event. Spayed or neutered hounds are eligible for entry.

No person acting in the capacity of Hunting Tests Secretary may judge at the event for which that person is acting as Hunting Tests Secretary.

Any dog may be entered in a hunt test stake for which it is eligible, however, it must be noted on the supplementary entry form, if an advertised judge, alternate judge or any member of their family has owned, sold, held under license, boarded, trained or handled the dog within one year of the starting date of the Hunt Test, as this person may not judge the hound.

For purposes of this Section, the words “any member of his family” shall include a spouse, a sibling, a parent or a child, whether natural or adopted, of the Judge in question, but shall not extend to other blood or legal relationships.

At the conclusion of the judging for each test, the club shall provide, for the Judges’ signatures, the Hunting Test Score Sheets for each pack judged, showing full particulars of all dogs judged.

Titles are awarded based on application to PBGVCA as defined in the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.

Purpose: The purpose of Hunting Tests for Petit Basset Griffon Vendéen is to afford an opportunity to demonstrate an individual hound’s ability to perform in a manner consistent with the demands of actual hunting conditions. Testing in this manner is to gauge the hound’s hunting ability, desirable qualities that indicate ability to be effective and efficient in the pursuit of quarry.

Time and Running Order: Running order will be assigned by public "Draw" before the beginning of each test day. Packs may be mixed sexes. Bitches-in-season may not be on the test field. Fees will be refunded for bitches that come in season after the closing date or a substitution may be made.

No hounds shall be put down after 30 minutes following official sunset. The Hunting Test Committee and the Judges shall be responsible for enforcement of this Procedure.

Marshals: It shall be the duty of one Marshal to assist the Judges and to carry out their instructions, including regulating and controlling the gallery & seeing to it that the gallery is kept separate from and behind the Judges, and that no one in the gallery talks to the Judges while the dogs are down. Marshals shall assist the Judges in all other matters necessary for the smooth and expeditious running of each Test.

Gallery: No person shall make any remarks nor give any information which might affect the actions of the persons handling the hounds or the running of the hounds unless information is specifically requested by the Judges. Any person so offending may be expelled from the running grounds on orders from the Judges, and points of merit shall not be allowed any hound whose handler acts upon such information. The Judges must be informed of any such misconduct before the close of the running of the hound(s) in which it occurs, and their decision shall be final.

Handlers: When hounds are cast, a handler may speak, whistle, sound a horn to his hound or work in any way he may deem proper, if not contrary to these Procedures, unless otherwise instructed by the Judges. Hounds must show reasonable obedience to their handler’s commands.

Each hound under judgment must wear a different colored hunt collar or stretch band for easy identification by the Judges. The Judges’ evaluation forms will have this collar color and the handler’s last name. (Personal collars worn in addition to the colored hunt collar or stretch band must have a fixed circumference with no hanging tags.)

No owner or handler shall have any right to question or refuse to follow the Judges’ orders.

Owners and handlers must keep themselves informed as to the running order and progress of the judging and must be ready within hailing distance when their hounds are called by the Marshal on instruction from the Judges.

Severe Training or Correction: The Hunting Test Committee and the Judges shall not permit severe disciplining of hounds on any part of the grounds. The Committee shall investigate any reports of such conduct or of any other conduct prejudicial to the best interests of purebred dogs, PBGVCA Hunt Tests, or the American Kennel Club, according to Chapter 6, Section 5 of the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.
